**Dear Pure Chiropractic Patients,**

After much prayer and thoughtful consideration, we are writing to share some important news with you.

After many wonderful years of serving this community, **we have officially sold Pure Chiropractic**, and ownership of the practice will be transitioning to **Dr. Yecenia Lopez, DC**.

This decision was not made lightly. Caring for you and your families has been one of the greatest privileges of our lives. Many of you have trusted us with your health for years—and in some cases, generations of your family—and we are deeply grateful for the relationships we've built along the way. Your loyalty, kindness, and support have meant more to us than words can express.

As we begin a new chapter for our own family, we are excited to share that **Dr. Yecenia Lopez, DC** will be taking over the practice. We believe she is an excellent fit and will continue providing the quality chiropractic care our patients deserve. She is committed to serving this community and helping patients continue their journey toward better health and wellness.

Please know:

- Dr. Becerra will continue treating patients until July 16, 2026
- Your medical records will remain secure and confidential
- There will be no interruption in your care
- Existing appointments and treatment plans will continue as scheduled unless otherwise communicated
- Our staff will help make this transition as smooth as possible

We are incredibly thankful for the trust you have placed in us over the years. It has truly been an honor to walk alongside you in your health journey.

***From the bottom of our hearts—thank you for allowing us to be part of your lives.***

We ask that you warmly welcome **Dr. Yecenia Lopez, DC**, as she steps into this new role. We are confident she will continue caring for this community with dedication and compassion.

With Sincere Gratitude,

**Dr. Anthony Becerra & Family**
